Congratulations! You have successfully completed the free online offering of Introduction to Databases, offered October through December, 2011. To successfully complete this free online class, students were required to watch lectures, complete quizzes and automated exercises, and take a midterm exam and a final exam. According to our automated system, your scores on these components were as follows:

- Quizzes: **64** out of a maximum of **67**
- Exercises: **71** out of a maximum of **71**
- Exams: **36** out of a maximum of **38**
- Scaled total (exercises doubled, exams tripled): **314** out of a maximum of **323**

We thank you for your interest in studying databases, and for participating in our ambitious experiment to deliver quality educational content to a worldwide audience.

Sincerely, Jennifer Widom
